BRADFIELD VILLAGE HALL

OVER 60's PARTY

For many years Bradfield Village Hall has provided an evening of entertainment for the local community along with a meal usually in early December.

The last couple of years have seen inclement weather around that time of year which has probably caused a reduction of the community willing to turn out in such conditions. It has been suggested that it may be more practical to run a similar event during the summer in order to attract more of the local community when the weather is more favourable. Or another suggestion has been that instead of a party, would you fancy a summer coach trip?

However, before making a decision we are asking for your reaction and comments on this matter and suggest that you contact us by

E-mail at: ltrussell@btinternet.com

Telephone on: (0114) 285 1227

Or speak to any member of the village hall committee

THE BRADFIELD DANCE

The Dance was re-started on 19th March and will continue as before on the next to last Saturday of the month.

The M.C. in charge of music, etc., will be Clive Smith.

The Bradfield Village Hall Committee hope for the continued success of this activity.

The Road Project

“Show of Hands” Star to Play at Bradfield

One of the founder members of the folk “super group” Show of Hands, Phil Beer, has agreed to perform at the Village Hall in Low Bradfield on Monday 23rd May 2011.

The group, who filled both the Plug and Sheffield Cathedral in 2010 are West Country based but with both Phil and Steve Knightly undertaking solo tours, we are fortunate that Phil has been able to schedule in this gig.

Phil is one of the most popular ambassadors for acoustic roots music. A dazzling instrumentalist, he is perhaps best known as a top flight fiddler and plays in the all-star line-up, Feast of Fiddles, plus being one half of the folk super group Show of Hands. But his skills don't stop there, he also plays slide, Spanish and tenor guitar, mandocello, viola, mandolin and South American cuatro, not to mention contributing rich vocals.

Tickets will cost just £12.00 and are available either from the Postcard Café in Low Bradfield, or by contacting Steve Dennis on 0781 7370 422.

SEASONS

By Keith Willmott of Stannington

Cold and frosty, rain and snow
Will this winter ever go
Gale force winds blow down the Dale
accompanied with snow and hail

But very soon around the dams
The fields abound with new spring
lambs

**Daffodils bloom o'er fields and hills
We soon forget old winter's chills**

**Off the bus, o'er bridge and stream
you'd never know that winter's been**

Warm sun shines down on the cricket
Oh dear, there goes another wicket

Families picnic altogether
Enjoying lovely summer weather

**So let's enjoy it whilst we may
For Autumn soon is on it's way**

Leaves of Gold and Green will fall

To herald winter's early call

Wake up to frost on window pane

Another winter's here again

A summer sight on the village's roads

All entrants will receive an award (from gold to **merit**) and will be invited to the Lord Mayor's award presentation ceremony in the Town Hall in July.

It offers all community groups, schools, businesses and local residents the opportunity to put forward their green spaces, gardens or community areas to win recognition for their part in making the city an attractive place in which to live and work.

The initial judging is carried out by representatives from our Parks and Countryside team, Street Force or a horticultural specialist and every entrant will receive a visit. The Lord Mayor will then visit all the short-listed entrants and allocate the awards.

There are eight categories and everyone has a chance of winning one of five class of awards: Gold, Silver Gilt, Silver, Bronze or merit within each category. The winners of the awards will be presented with plaques and certificates at a special ceremony in the Town Hall.

Garden Jobs for April

by Gertie Greenthumb

April is the month where Spring should be fully sprung in your garden! The soil is warming up but there is still a chance of frost - so keep an eye on the weather. Here are a few garden jobs for this time of year:

- ✂ You will have seen your old friend chickweed popping up in your borders and containers from early February, now is the time to get on top of the weeding, get the hoe out and let those weeds have it before they get established.
- ✂ Another two gardener's "favourites", the humble slug and snail will be preparing to chomp their way through your plants. Sorties at dawn and dusk with a torch and an appetite for destruction should catch the majority of them. Another method is to treat the ground with a nematode solution which will kill slugs out of sight and is harmless to birds and hedgehogs.
- ✂ It should be warm enough now to start growing some lettuce or salad leaves in pots or in the ground, just keep an eye on the frost and cover with fleece if necessary.
- ✂ Your lawn will thank you for a feed at this time of year. You could also attack patches of moss.
- ✂ Some of the garden centres will have new bedding plants at this time of year. If you are really tempted, and have a greenhouse, start baskets and planters off under glass. The risk of frost is too high to think about planting up outside in Bradfield in April.
- ✂ Watch out for birds nests when tidying shrubbery and borders.
- ✂ Mulch away! Prepare your borders for your summer perennials and bedding plants.
- ✂ Sit back on a deck chair in the lighter evenings with a cup of tea or glass of wine and smile as your garden comes back to life after

PUBLIC NOTICE

This Telephone Kiosk is available for adoption by the local Town, Parish or Community Council.

A detailed survey has shown that this kiosk is not being used sufficiently to continue the service at this location.

However, recent consultation on payphone removals has highlighted strong feelings towards retention of red kiosks, without telephony service, for their heritage value alone.

BT is therefore offering the local community the opportunity to take ownership of this kiosk structure without the telephony for just £1, ensuring that the kiosk is retained in its current location.

Alternatively BT also offers a subsidised ownership scheme whereby the telephony service can be subsidised.

For further information please visit our website at
<http://www.payphones.bt.com/legislation/kiosk/HTML/payphone/index.html>

Adoption of this kiosk to safeguard this heritage structure indefinitely:
Where the kiosk is requested for adoption by the local community we need to consult to remove the telephony service. This consultation will run for a period of 42 days from the above date, during which time you may contact your Local Authority Planning Department to provide your views on removal of service or adoption of the kiosk at this location. Requests received outside of this consultation period will be given serious consideration, but will need a full consultation for removal of service as outlined above.

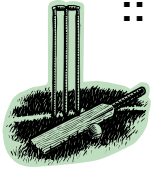

If you require details of the nearest alternative payphone please contact BT Payphones on
Freephone: **0800 917 0273**

Please note that this number is only able to provide alternative payphone details regarding the removal of this service upon adoption and is not for general enquiries.

BRADFIELD TENNIS CLUB

By Margaret H French

The Tennis Club continues to develop. The retired persons and junior/intermediate sections are very strong in numbers. In 2010 the courts were painted, so 2011 sees the completion of upgrading the pavilion to make it more pleasant for members and visitors.

Matches start at the end of April with teams in the Men's, Mixed and Junior Leagues.

The Annual Quiz night was again hugely popular attracting a record number of members and their friends and family.

CHUCKLE CORNER

You lovers of the language might enjoy this

There is a two-letter word that perhaps has more meanings than any other two letter word, and that is “UP”.

It’s easy to understand UP, meaning toward the sky or at the top of the list, but when we awaken in the morning. Why do we wake UP?

At a meeting, why does a topic come UP? Why do we speak UP and why are the officers UP for election and why is it UP to the secretary to write UP a report?

We call UP our friends. And, we use it to brighten UP a room, polish UP the silver, we warm UP the leftovers and clean UP the kitchen. We lock UP the house and some guys fix UP the old car.

At other times the little word has real special meaning. People stir UP trouble, line UP for tickets, work UP an appetite and think UP excuses. To be dressed is one thing, but to be dressed UP is special.

And the Up is confusing: A drain must be opened UP because it is stopped UP. We open UP a store in the morning, but we close it UP at night.

We seem to be pretty mixed Up about UP! To be knowledgeable about the proper uses of UP, look the work UP in the dictionary.

In a good sized dictionary, it takes UP almost 1/4th of the page and can add UP to about thirty definitions.

If you are UP to it, you might try building UP a list of the many ways UP is used. It will take UP a lot of your time; but, if you don’t give UP, you may wind UP with a hundred or more.

When it threatens to rain, we say it is clouding UP. When the sun comes out we say it is clearing UP. When it rains, it wets the earth and often messes things UP. When it doesn’t rain for a while, things dry UP.

One could go on and on, but I’ll wrap it UP, for now my time is UP, so .. It is time to shut UP ... !

On opening his new store, a man received a bouquet of flowers. He became dismayed on reading the enclosed card, that it expressed “Deepest Sympathy”. While puzzling over the message, his telephone rang. It was the florist apologising for having sent the wrong card. “Oh,, it’s alright”, said the storekeeper “I’m a businessman and I understand how these things can happen”. “But”, added the florist, “I accidentally sent your card to the funeral party.” “Well, what did it say?” asked the storekeeper. “Congratulations on your new location”, was the reply.

WHY WE LIKE THE BRITISH ... from British Newspapers

- 1] Commenting on a complaint from a Mr Purdy about a large gas bill, a spokesman for North West Gas said “We agree it was rather high for the time of year. It’s possible Mr Purdey has been charged for the gas used up during the explosion that destroyed his house.” (The Daily Telegraph)
- 2] Police revealed that a woman arrested for shoplifting had a whole salami in her underwear. When asked why, she said it was because she was missing her Italian boyfriend. {The Manchester Evening News)
- 3] At the height of the gale, the harbour master radioed a coastguard and asked him to estimate the wind speed. He replied he was sorry, but he didn’t have a gauge. However, if it was any help, the wind had just blown his Land Rover off the cliff. (Aberdeen Evening Express)

SMILE AND THE WORLD SMILES WITH YOU

(Not all epidemics are bad news ...)

Smiling is infectious: you catch it like flu. When someone smiled at me today, I started smiling too.

I passed around the corner and someone saw my grin. When he smiled I realised I’d passed it on to him. I thought about that smile then realised its worth. A single smile, just like mine, could travel round the earth.

So, if you feel a smile begin, don’t leave it undetected. Let’s start an epidemic quick and get the world infected!

On Monday morning of 14th March 2011, a lovely sunny day, Class 4, their teacher and helpers from Bradfield Dungworth Primary School walked all the way down to, then back from, the Community Orchard in Bradfield. Under the instruction of Holly Barnes, Sheffield City Council Community Forester, they planted a wind-breaker hedge of Hawthorn, Blackthorn (Sloes), Dog Rose and Hazel.

And all that is left behind is a beautifully planted hedge and a nest of muddy gloves and shovels. Thank you and well done everyone.
